Grind City Brewing Company

presented by The Gilliland Family

We are excited to announce AngelStreet's Inaugural Ring Container Technologies Legends Luncheon event, presented by The Gilliland Family, taking place on Saturday, September 21, 2024, at Grind City Brewing Company. Our fundraising events, including our Annual Fundraising Dinners and Halo Golf Classics have provided over \$500,000 in support of our growing program over the past seven years. I am reaching out to offer the opportunity to participate as a sponsor of this year's event.

Unique to this event, we will not only feature the talented girls of AngelStreet but will also highlight some of our most talented men and women in both Memphis and around the country. With invitees such as Penny Hardaway, Ja Morant, Boo Mitchell, and Dawn Staley, it is sure to be an exciting event.

Your investment enables the mission-critical work of transforming lives and building leaders in Memphis as we develop girls, ages 8-18, who have limited access to the arts. By providing mentoring and musical training, we are uplifting young women to understand their value, discover their purpose and become creatively equipped to serve the Memphis community as leaders. We have experienced exponential growth since 2013 through program participation, staff, finances and community impact. We recognize this effort simply isn't possible without you.

Your 2024 sponsorship through tax-deductible financial or in-kind gifts will:

- Help provide a memorable experience for those participating in our Legends Luncheon fundraiser.
- Be highlighted during the event, including the VIP Halo Happy Hour, as well as in print and online media.
- Offer a great avenue to promote your business while supporting a worthy cause.
- Cause a transformational change in our AngelStreet participants enabled by generous donors like yourself.

Your advocacy indeed makes a difference in Memphis! I look forward to following up with you. Please view the attachment for details on sponsorship. Feel free to reach out to myself or Ruth Abigail Gardner (901.736.3520) if you have any questions or would like to plug in more.

Thank you for believing in Angels.
